

Six Dogs Pinotage Stained

Six Dogs Pinotage Stained Gin is the love child of Six Dogs Gin and our neighbour's highly prized block of Pinotage grapes in the De Wet Valley. Our gin is distilled in small batches through generous quantities of juniper and fresh citrus. It is then placed in tanks together with handpicked Pinotage grapes to allow the gin to extract the deep red essence of this truly South African cultivar. The result? Six Dogs Pinotage Stained Gin. An alchemy between neighbours, friends, nature and of course, six faithful dogs.

Passionately Crafted. One Batch at a Time.

To us, creating Gin is not just about the handpicked botanicals, or our custom-designed still, or the molecular technology we use to protect the delicate flowers used in the Gin. It is about waking up every day and loving what we do. It's about setting out to make the finest Gin we can, one batch at a time. It's about creating something extraordinary. Something to be proud of. That's who we are.
